Demand Style and Performance

Install Ductair Premium Metal Vents

Ductair Premium Metal Vents (DPV) is the choice of architects, interior designers and home owners. The sleek modern design will ensure high performance air flow with a smooth ceiling profile.

Made from Aluminum extrusion they will seamlessly match the optional metal linear slot diffusers and metal Ductair Quick Change return air grilles, improving the aesthetics of your entire air-conditioning system.

Powder coating the DPV's in ceiling white ensures they are easy to clean and they don't yellow over time like plastic grilles.

Premium Features

- ✓ Easily replaces Dirty and faded plastic outlets
- ✓ Completely flush louver blades for a smooth ceiling profile
- ✓ Manufactured in metal for a sleek modern design
- ✓ Powder coated metal for easy cleaning
- ✓ Does not creak or warp when the A/C is on heating cycle
- ✓ High performance air flow
- ✓ Seamlessly matches other metal grilles or linear slot diffusers in the home
- ✓ Can be painted in custom colours to suit your décor
- ✓ 300 sq and 350sq
